

TRANS FORM

SUPER GROUP!

WRITE YOUR OWN ORIGIN STORY.

Every superhero's brain is unique. TransForm is a neurodivergent processing group, with a special home for trans and non-binary folx. We dig into identity exploration, self-understanding, personal growth, and how relationships shape your path. This is a space where being wired differently isn't a plot twist. It's the whole point.

***NO MASK
REQUIRED***

**WEDNESDAYS
6:00-7:30PM**

**\$60
PER SESSION**
